Modified Services at Bethel

The President recommends that individuals not congregate in groups of 10 or more. The Governor of the State of North Carolina has issued an executive order mandating that all churches modify to stream or cancel services.

We have the ability to help flatten the curve! Having a future "Backyard Baptist Drive-In" church service is under prayerful consideration and it does not violate any mandates that are in place, so long as occupants stay in their car and do not congregate. For this Sunday, Bethel will provide an "online" alternative through FaceBook.

Please remember if you need to send in your tithes and offerings, you can do so through the PayPal link in the lower left corner of the church website. You can also send a check through the mail at P.O. Box 496, Spruce Pine, NC 28777. May God bless each and everyone of you!
